

# High-Spin "H" 450G Washer W5130H – 30 lb, Soft-mount

## **Features and benefits**

- Compass Pro® microprocessor offers:
  - Large display and one control knob for easy program selection
  - Language selection
  - Quick selection and option buttons for the most frequently used wash programs and options

### • AWS - Automatic Water Savings:

- Save up to 30% on water with AWS automatically. With every wash cycle, AWS determines the actual weight of the load and adds precisely the right amount of water, significantly reducing water consumption and energy costs
- Soft-mount for easy installation on wood floors, upper levels and over basements
- Extremely low water and energy consumption
- Four compartment detergent box for manual dosing of powder or liquid detergent
- · High extraction force for efficient de-watering
- · Door with gasket and strong hinges built for heavy duty operation
- Stainless & galvanized steel in all vital parts for high degree of rust protection

### Power Balance:

- Maximizes the extraction force, leading to highest de-watering and savings in drying
- Minimizes the stress on the machine, leading to trouble-free operation and increased machine lifetime
- Reduces vibrations, making for easy installation in all locations

# Main options

- Automatic liquid detergent supply (optional I/O board)
- · Stainless steel front panel
- · Unique text messaging option
- Voice guidance option

Coin, card ready, & OPL models available.
